   importance of allowing members of the public to express themselves on school matters of community
   interest.

   The Board is also committed to conducting its meetings in a productive and efficient manner that assures
   that the regular agenda of the Board is completed in a reasonable period of time, while allowing for a
   fair and adequate opportunity for input to be considered. Consequently, public participation at Board
   meetings will be governed by the following principles:

   1. In order to permit the fair and orderly expression of such comment, the Board shall provide a period
      for public participation at every regular meeting of the Board and publish rules to govern such
      participation in Board meetings.

   2. The presiding officer of each Board meeting at which public participation is permitted shall
      administer the rules of the Board of its conduct. The presiding officer shall be guided by the following

D. Persons wishing to make comments or address questions to the Board may do so during the period provided for public participation and/or as permitted by the presiding officer, providing that this topic, has been brought to the attention of the appropriate staff member(s) and/or administrator(s) before being brought to the Board, or as may otherwise be permitted by the Board. If a specific response to a question is requested, that question/concern must be submitted in writing to the Board. The Board will not answer or respond to questions or concerns during the meeting, but will respond in a timely manner to those questions/concerns submitted in writing.

4) Request the assistance of law enforcement officers in the removal of a disorderly person when that person’s conduct interferes with the orderly progress of the meeting.

5) Call for a recess, or an adjournment to another time, when the lack of public decorum so interferes with the orderly conduct of the meeting as to warrant such action.
